

CAPABILITIES STATEMENT

Pro Reno Group is a full service construction company specializing in general contracting, construction management, remodeling, and installation services for the commercial industry. Services include pre and post construction in tenant trim out, facility improvement, branding, turnkey design and build, mixed use space, industrial installation and application services, and remodeling.

Since 2015, we've been dedicated to providing exceptional services and professionalism to the construction industry. With years of experience, our team of experts have the skills and knowledge needed to design, build, and renovate various spaces and buildings interior and exterior.

We pride ourselves on our commitment to quality and ensure minimal disruption to operations. It is our job to partner, plan, and transform spaces while making the experience enjoyable, stress free, accurate, and within budget. Our long lasting partnerships with general contractors, subcontractors, customers, employees and constituents is one of our differentiators. Customers choose us for that very reason.
